A beautiful and finely detailed pair of French 19th century Louis XV st. light green fire glazed Porcelain, Ormolu, and Giltwood lamps. Each lamp is raised by a square Giltwood platform with a carved spiral design and supported by four round Ormolu feet. Above the Giltwood platform is the porcelain base that is decorated by Ormolu scrolled berried acanthus leaves. The body of the lamp displays scrolled acanthus leaves surrounding the bottom and a band of similar scrolled designs around the neck. Flanking the body are wonderful and large scale acanthus leaf mounts. Scrolled designs accent the necks while the top rims are decorated by a downward and upward acanthus leaf spray.
