A most elegant pair of French 19th century Louis XV st. patinated and giltwood armchairs. Each armchair is raised by slender cabriole legs with beautiful scrolled giltwood acanthus leaves and charming richly carved corner rosettes set on patinated backgrounds. A fine fillet leads up each leg and along the scalloped shaped apron and sides with striking richly carved scrolled foliate designs at the front. The cushioned arms display a most decoratively scrolled design with additional giltwood accents centering the wide seat. The upholstered back supports display an elegant rounded shape with fine delicate giltwood foliate movements and fillets at the borders, and a floral central reserve at the top. All original patina and gilt throughout.
