An exquisite and most elegant pair of French 19th century Louis XVI st. Baccarat crystal and ormolu vases. Each vase is raised by a circular base with a fine mottled wrap around ormolu band. Above the delicate socle shaped pedestals are the beautiful and most decoratively shaped bodies adorned with striking richly chased pierced wrap around ormolu bands with intricate scrolled foliate designs, cornucopias and palmettes. The necks display most elegant curved slender designs leading up to fine ormolu bands at the rims. All original gilt throughout.
