An elegant and most impressive pair of French 19th century Louis XVI st. Belle Époque period onyx and ormolu pedestal columns. Each pedestal is raised by a square onyx base with fine ormolu feet and a decorative stepped mottled border. The central circular support displays a lovely wrap around interlocking floral band, fluted designs, and a fine wrap around twisted band at the plinth and striking richly chased scrolled foliate designs in a superb satin and burnished finish. Above is the square display tier with a fine mottled border.
