A stunning and most charming pair of French 19th century Louis XVI st. Belle Époque period ormolu and Rouge Griotte marble candelabras. The two arm candelabra are raised by beautiful square Rouge Griotte marble bases with fine topie shaped feet and beautiful block rosettes. Above a square stepped ormolu support with wrap around foliate bands is a striking marble ball where the richly chased and most charming winged cherubs are standing. They are seemingly holding the elegantly scrolled arms above adorned with beautiful leaves and blooming flowers leading to exceptional finely detailed floral candle cups.
