A magnificent and very high quality pair of French 19th century Louis XVI st. Belle Époque period Rosso Levanto marble and ormolu lidded urns. Each urn is raised by a square base with a fine mottled border, wrap around beaded band, and berried laurel band at the socle shaped pedestal support. The body is encased in beautiful large acanthus leaves and impressive richly chased swaging oak leaf and acorns garlands tied at each side to striking seated ormolu satyr figures with crossed legs holding a wreath above their head. Above the elegantly curved neck is a superb reeded ormolu band and the exquisite removable eternal flame lid which lifts off to reveal the finished interior.
