A most elegant pair of French 19th century Louis XVI st. Belle Époque period two arm ormolu sconces. Each sconce is centered by a bottom acorn finial below the fluted tapered central support. The two beautifully scrolled arms are adorned with large richly chased acanthus leaves and intricately detailed swaging berried laurel garlands in a striking satin and burnished finish. Each arm displays fine floral and foliate candle cups and bobeches. Above are the lovely rams heads and striking urns of prosperity with the eternal flames and additional fine berried laurel garlands. All original gilt throughout.
