A most elegant pair of French 19th century Louis XVI st. Brèche Violette and ormolu lamps. Each lamp is raised by a circular mottled base with fine ormolu feet. The ormolu socle pedestal displays a fluted design with finely etched designs and a tied reeded band below charming acanthus leaves. The handles are wonderfully accented by detailed and richly chased charming cherub masks amidst large attractive scrolled movements. They are joined by superb swaging berried laurel garlands. At the finely shaped neck are two tied reeded ormolu bands.
