A wonderful pair of French 19th century Louis XVI st. cobalt blue Sèvres porcelain and ormolu lidded vases. Each elegant vase is raised by a square ormolu base with concave corners and a fine wrap around beaded band. Above the porcelain socle pedestal are lovely foliate mounts encasing the elegantly shaped elongated bodies. At each side are beautiful maidens above acanthus leaves with scrolled berried handles in a rich satin and burnished finish. The rims display delicate and wonderfully executed pierced intertwined tied berried laurel bands while the removable lids display lovely acorn finials. All original gilt throughout.
