---

A sensational pair of French 19th century Louis XVI st. ormolu and Red Vulcano onyx lamps. Each lamp is raised by a square onyx base with concave corners and a bottom ormolu trim. The fluted ormolu socle pedestal is decorated with a berried laurel band and foliate pattern moving up the lamp. Ormolu chutes at the sides lead up to charming and richly chased cherubs playing an oboe and joined by draped berried foliate garlands.
