A beautiful and most elegant pair of French 19th century Louis XVI st. ormolu and white Carrara marble candelabras. Each three arm candelabra is raised by a circular white Carrara marble base with fine wrap around beaded bands and lovely fluted designs with fitted foliate ormolu chandelles. Above the curved support with beautiful acanthus leaves are three elegantly scrolled supports leading to the arms each decorated with richly chased acanthus leaves leading to delicate bobeches and wonderful foliate baluster shaped candle cups. At the center is the exceptional pierced brule parfum shaped reserve with intricately detailed foliate designs and a stunning top floral finial which lifts on and flips to expose the fourth concealed candle cup with the same lovely baluster shaped foliate design. All original gilt throughout.
