A stunning and large scale pair of French 19th century Louis XVI st. ormolu sconces. Each eight arm sconce is centered by an elegant fluted topie shaped bottom finial with finely detailed acanthus leaves and a tied wrap around band. The most decorative scrolled Rinceau shaped arms branch out from the pierced tapered quiver shaped central supports. The arms extend over two levels and are each adorned with richly chased acanthus leaves and display exceptional foliate candle cups. The top of the central supports display most decorative Vitruvian scrolls, fluted designs, and outstanding eternal flames.
