---

A beautiful pair of French 19th century Louis XVI st. ormolu vases. Each elegant vase is raised by fine curved block feet below the rectangular base with charming rosettes and fitted berried laurel bands. The socle shaped pedestal supports display fine fluted bands and foliate designs encasing the bodies. The body displays beautiful scrolled handles at each side with striking richly chased swaging berried laurel garlands leading to a superb central mask. Also finished on the inside.
