An impressive and large scale pair of French 19th century Louis XVI st. patinated bronze, ormolu and Rouge Griotte marble lamps. Each lamp is raised by a square Rouge Griotte marble base below the fluted socle shaped ormolu pedestal support and a richly chased wrap around berried laurel band. The patinated bronze body is encased by striking intricately detailed Bacchanalian masks of handsome bearded men with horns and grape leaves, and grapes in their hair connected by stunning swaging blooming flower garlands. Above is the elegant lightly curved spiral fluted neck below lovely richly chased interlocking foliate bands.
