An elegant pair of French 19th century Louis XVI st. two arm ormolu sconces. Each sconce is centered by a fine foliate bottom finial below the beautiful tapered fluted central support. The support is adorned in wonderfully executed swaging flowing garlands and foliate designs. The two elegant S scrolled arms are adorned with large richly chased acanthus leaves, twisted fluted candle cups and foliate bobeches. Above at the center are striking urns decorated with fine garlands and eternal flames.
