An exceptional pair of French 19th century Louis XVI st. Vert Campan marble and ormolu lamps. Each lamp is raised by a square base with fine ball feet and a richly chased wrap around berried laurel ormolu band. Above the socle shaped pedestal supports are lovely foliate designs with elegantly shaped bodies encased with impressive finely detailed open winged swan handles at each side. The lightly curved ormolu necks display most decorative fluted and reeded designs in a rich satin and burnished finish.
