A stunning pair of French 19th century Louis XVI st. Vert de Patricia marble and ormolu lamps. Each lamp is raised on ormolu ball feet below the square marble and ormolu plinth, with a spiral fluted designed ormolu socle support accented by a berried wreath and a Coeur de Rai designed band. The marble urn body is decorated by a pierced foliate ormolu support with central flowers. At each side are ormolu handles with satyr masks and intertwined horns above berried branches. The handles flank a richly chased central band depicting a scene of playful cherubs in the manner of Clodion. At the top of each lamp is a reeded rim with X shaped ribbons.
