A striking pair of French 19th century Louis XVI st. Vert Patricia and ormolu lidded urns. Each urn is raised by a square base with concave corners and a most decorative and richly chased berried laurel band at the fluted socle pedestal. To each side are impressive detailed rams heads connected by beautiful swaging floral garlands. Above is the ormolu neck with fine interlocking patterns and the lid with an acorn finial that lifts off to reveal the finished interior.
