---

An elegant pair of French 19th century Louis XVI st. white Carrara marble, ormolu and patinated bronze electrified candelabras. Each is raised by a square base below a fluted circular pedestal. Above is a charming cherub seated on a tree stump flanked by large grape clusters on the ground while supporting a basket filled with additional grape clusters. Above are triple patinated bronze candle cups below the adjustable painted toile shade.

Wonderful and rich chasing throughout.
