A striking and most decorative pair of French 19th century Louis XVI st. white Carrara marble and ormolu pedestal columns. Each pedestal is raised by a square base with a fine bottom ormolu fillet and elegant mottled foliate band. The tapered central support displays a fine decorative mottled border with an impressive richly chased pierced ormolu mount with beautiful acanthus leaves, a lovely urn with a spiral fluted design, charming blooming flowers, and berried laurel branches. Above is an additional pierced ormolu mount with charming cherubs amidst foliate movements and berried laurel branches centering a family crest all below an additional wrap around mottled foliate band and square fitted white Carrara marble top.

Base Diameter: 8.75"
