A charming and most decorative pair of French 19th century Napoleon III period Alabastro Trasparente and ormolu vases. Each beautiful vase is raised by three scrolled foliate feet. Above the feet are lovely pierced wrap around ormolu bases with fine foliate designs and hammered backgrounds. At each side are elegant hanging handles with charming Asian flair leading up to foliate wrap around ormolu bands. The top rims display richly chased pierced foliate movements on a hammered background. All original gilt throughout. Available with a complimentary pair of vases, item #10920, sold separately.
