A striking pair of French 19th century Neo-Classical st. Onyx and ormolu pedestal columns. Each pedestal is raised by a square onyx base with fine ormolu feet and an elegant mottled design. The lightly tapered central ormolu supports display impressive paw foot below finely detailed palmettes and interlocking berried laurel foliate bands set on a beautiful and most decorative textured recessed background. Above are richly chased caryatids with exceptional rosette and palmette reserves below the top square Onyx display tiers.
