An impressive large scale pair of French 19th century Neo-Classical st. ormolu sconces. Each three arm sconce is centered by charming finely detailed oak leaves and acorns below the beautiful reeded sunburst designed backplate. The elegantly curved fluted arms branch outwards and are adorned with large acanthus leaves and stunning richly chased swaging blooming flower garlands leading to circular bobeches with fine wrap around twisted ribbon bands and lovely floral candle cups. Above is a striking reeded urn adorned with swaging berried laurel garlands and a superb top pierced palmette. All original gilt throughout.
