A striking pair of French 19th century Neo-Classical st. ormolu three arm sconces. Each sconce is centered by a beautiful bottom palmette. At the centers are most decorative circular reeded foliate reserves with acorn finials from where the three elegantly scrolled arms branch out. Each arm is adorned with a large acanthus leaf, displays a twisted fluted design and fine candle cup. Above are the impressive arrows with beautiful richly chased maidens in sun shaped reserves.
