A very handsome pair of French 19th century Neo-Classical st. patinated bronze and Vert de Patricia marble lamps. Each lamp is raised by a fine circular Vert de Patricia marble base with an elegant bottom ormolu band and a mottled border. The patinated bronze bodies display beautiful scenes with personages dressed in classic attire with a handsome fisher boy and a beautiful maiden with a basket of fruit amidst scrolled foliate palmettes designs. Striking scrolled foliate handles lead up each side centering the lightly curved neck. All original gilt and patina throughout.
