A striking pair of French 19th century Neo-Classical st. patinated bronze, ormolu and Brèche de Appenninica marble candelabra lamps. Each two armed lamp is raised by a beautiful circular Brèche de Appenninica marble base with fine ormolu ball feet and an elegant stepped design with richly chased wrap around beaded and foliate bands. At the center are beautiful finely detailed maidens draped in wonderfully executed period robes with their hands at their sides holding stunning ormolu cornucopias. The cornucopias lead to richly chased floral reeded candle cups with lovely foliate accents.
