A sensational pair of French 19th century ormolu, Blue John and black Belgian marble urns. Each urn is raised by a most decorative black Belgian marble base with a stepped and mottled design. The square Blue John central supports showcase the beautiful colors and movements. Above the Blue John supports and below the urns, are additional black Belgian marble tops. The striking ormolu urns display fluted socle pedestals and ring handles at each side. Each urn displays a wonderfully executed and most impressive eternal flame coming out of the top.
