An outstanding pair of French 19th century Renaissance st. patinated bronze, ormolu and black Belgian and rouge Griotte marble lamps. Each lamp is raised by a square black Belgian marble base with a mottled wrap around rouge Griotte marble band and a fine bottom ormolu fillet. The socle pedestal displays a striking and most decorative stepped mottled and fluted design.

The elegant shaped patinated bronze body displays a striking and richly chased central foliate palmettes with handsome and finely detailed pierced lion heads at each side. The scrolled handles display ormolu foliate accents and center the charming wrap around foliate design at the neck.
