A striking and high quality pair of French 19th century Renaissance st. ormolu and Brèche Violette marble urns. Each urn is raised by a circular base with a fine mottled border and bottom ormolu fillet. The elegantly curved socle shaped pedestal support displays four striking richly chased dolphins amidst foliate designs below the beautiful reeded body with impressive lion head ormolu mounts. Leading up each side are remarkable scrolled handles leading to superb griffins connected by charming intricately detailed swaging blooming flower garlands. Above is an elegant curved topie shaped element with a wonderful pierced foliate ormolu shaped finial.
