A stunning and most unique pair of French 19th Renaissance st. ormolu, patinated bronze and Rouge Griotte marble ewers. Each ewer is raised by a square rouge Griotte marble base with mottled stepped borders. The socle pedestals display fine foliate designs and ormolu foliate bands. The bodies display additional foliate designs and masks with elegant richly chased maidens below the spouts. Impressive and finely detailed ormolu dragons lead up the sides and are clutching the scrolled spouts.
