A handsome and large scaled pair of French late 19th century Louis XV st.

Ormolu candelabras signed E. Lelievre and casted by Susse Freres Foundary. The pair of four arm electrified candelabras are raised on circular bases with scrolled movements and shell like designs. The twisted movement of the central fut leads to the three 'S' scrolled acanthus leaf decorated arms which lead to an open spray of foliage below the candle cups. At the center is the spiral shaped arm richly decorated by additional acanthus leaves and spray below the central candle cup.
