A spectacular and large scale pair of Italian 18th century Baroque period electrified candelabra lamps. Each most impressive ten light candelabra is raised by a mottled rectangular base from where the opulent pierced foliate giltwood designs seemingly grow out. The luxuriant designs display stunning scrolled reeded movements adorned with charming finely detailed flowers and branches with leaves all in a superb satin and burnished finish. The gilt metal foliate arms above are decorated with large leaves and end in gilt metal bobeches. All original gilt throughout. Shown with our tailored Cedric DuPont Antiques signature two tone gold silk shades
