A stunning and extremely decorative pair of Italian 18th century Genovese st. giltwood, gilt metal and crystal chandeliers. Each eight arm chandelier is centered by a beautiful bottom cut crystal ball pendant below an impressive reeded and foliate carved giltwood reserve. Each elegantly scrolled gilt metal arm is adorned with beautiful swaging cut crystal garlands and leads to wonderful carved giltwood floral candle cups decorated with fine teardrop cut crystal pendants. Striking sprays flare out from the center with charming flowers which center the carved central fut decorated with reeded carved acanthus leaves. A delicate beaded garland leads up from each arm to additional beautiful flowers and the most attractive top crowns with lovely floral sprays.
