A magnificent pair of Italian 18th century oil on canvas still lifes. Rich and vibrant colors of an Italian countryside. Blue skies dominate with a wonderful peacock in one and colorful parrot in the other. Both with an abundance of fruits and flowers and foliate backgrounds. Surely requisitioned by a very wealthy patron to symbolize opulence and prosperity, not only because of the subject matter but also the rich hues and colors. Framed within 19th century patinated and gilt moulded frames.
