An exceptional pair of Italian early 19th century Baroque st. giltwood mirrors. Each mirror retains its original mirror plates framed within a fine mottled and beaded band with an elegant egg and dart design at the border. At the base are lovely pierced scrolled foliate designs with richly carved blooming flowers and charming cherub faces amidst wings. The striking pierced top crown also displays beautiful scrolled foliate designs with superb Rinceau movements, wonderful draped blooming flowers at each side, a central finely detailed mask, and a top urn with grapes and grape leaves.
