A stunning and high quality pair of Japanese 19th century Imari Porcelain and French Louis XV st. Ormolu mounted vases. These gorgeous vases are supported by circular Ormolu bases with scrolling foliate movements, floral decorations, and dentil pattern bands which wrap around the base of each vase. The mid section and neck of each Imari Porcelain vase is designed with a beautiful variety of red, white, and dark floral patterns with exceptional attention to detail. Wrapped around the neck and upper edge are Ormolu bands of scrolling foliate designs and blossoming flowers. These two bands are connected on both sides with Ormolu handles that are decorated by 'C' scroll acanthus leaf designs.
