A lovely and affectionate true pair of French 19th century Louis XVI st. Alabama Rose Marble, Ormolu, white Carrara marble, and Bisque Porcelain statues entitled 'Le Baiser Donn  et Le Baiser Rendu'. Each bust sculpture is raised by a square block of Alabama Rose Marble below a circular white Carrara marble support with an linked Ormolu chain surrounding and a circular mottled edge and tapered Ormolu pedestal. Mounted above each pedestal are the Bisque Porcelain figures representing a tender embrace between lovers sharing a kiss. Each Porcelain sculpture is tastefully decorated with a garland of flowers around both of the figures and floral crowns on each of their heads.
