A stunning and extremely high quality true pair of French 19th century Louis XVI st. ormolu and patinated bronze candelabra lamps. Each eight arm lamp is raised by a stunning wonderfully executed base with luxuriant scrolled foliate designs, intricately detailed blooming flowers, and central Fleur de Lys in a rich satin and burnished finish. At the center are charming and finely detailed winged cherubs each sitting on a rock with lovely flowers. One is leaning on a stick with a pensive expression while the other is holding his rich richly chased wing. Above are the magnificent arms with stunning scrolled foliate movements adorned with large acanthus leaves, superb flowers, and exceptional floral candle cups.
