A stunning true pair of French early 19th century Louis XVI st. patinated bronze, ormolu, and white Carrara marble candelabras. Each three arm candelabra is raised by an elegant square base below the circular pedestal support decorated with a fine wrap around twisted ribbon ormolu band, beautiful swaging blooming flower garlands, and a beaded band. At the center are charming richly chased patinated bronze winged cherubs standing on one foot seemingly holding up the arms above. Each arm displays most decorative scrolled Rinceaux designs and is adorned with lovely acanthus leaves leading to fluted floral candle cups. All original patina and gilt throughout.
