A stunning and most impressive true pair of Italian 18th century Venetian st. giltwood and patinated wood Blackamoor statues. Each statue is raised by an octagonal giltwood base with a fine mottled border and handsome richly carved lion heads with rings in their mouths and superb draped foliate reserves above. Above are impressive and finely detailed men standing on ground designed bases while draped in wonderfully executed flowing garments tied at their waist with gilt accented belts and holding up stunning giltwood shells resting on pillows on their shoulders. Each man displays striking mother of pearl eyes and ivory teeth. All original gilt and patina throughout.

Provenance: From the prestigious Palm Beach collection of Mrs. Julia Koch.
