A stunning and most impressive true pair of Italian 19th century Neo-Classical st. ormolu, white Carrara marble and Lumachelles de Lourdes marble plaques. Each oval plaque is centered by exceptional richly chased ormolu gladiators facing each other. Both are wearing armor and display fine details throughout with outstanding designs as well as a snake and a dragon on their helmets. They are set on a handsome Lumachelles de Lourdes marble background and framed within an elegant white Carrara marble band with a mottled border. All original gilt throughout.
