A very high quality and most elegant Italian 18th century Baroque Period Giltwood mirror. The original central mirror plate is framed within a wrap around mottled Giltwood border with an inner band of circular movements and smooth cabochons. Leading up to and flanking the stunning top crown are charming and wonderfully detailed Giltwood cherubs with grape vines in their hair and holding scrolled fabric like garlands. The garlands continue up to and join with multiple scrolled movements which flank the top crown in the shape of an exceptional double seashell design.
