An outstanding Italian 18th century oil on canvas still life. The painting depicts beautiful and wonderfully detailed floral arrangements at each side and a striking platter at the center with grape clusters and apples set on a wall. In the background is an exceptional blue sky with clouds and birds in flight. On the right side is a rocky façade of a mountain that continues upwards. The painting is set within a mottled giltwood and rich patinated brown frame. Wonderfully executed and lovely warm and rich colors throughout.
