A striking Italian 19th century Baroque st. giltwood and patinated wood coffee/cocktail table. The rectangular table is raised by a beautiful giltwood base with lovely most elegant scrolled acanthus leaf feet below a fine fluted block reserve with a remarkable rock design where the charming richly carved young boy at one side and a beautiful young girl at the other side are sitting. Above is the original black Scagliola top with a most decorative wrap around Greek key band amidst a fine berried laurel branch.
