An impressive and very unique Italian 19th century Baroque st. giltwood and silvered leaf mirror. The beautiful tapered hexagonal shaped mirror retains its original mirror plate framed within a fine wrap around mottled band and a richly carved scrolled acanthus leaf giltwood band with delicate silvered leaf pearl like reserves. At the base and corners are remarkable pierced scrolled foliate elements while the impressive top crown displays an arched seashell designed top with striking architectural elements centered by a richly carved mask of a young boy amidst beautiful scrolled designs.
