A stunning and very unique Italian 19th century Baroque st. giltwood, faux painted marble, and glass coffee table. The table is raised by an exceptional and most decorative scalloped shaped giltwood base with ball feet and exquisite richly carved pierced scrolled foliate designs with a stunning seashell like central reserve and charming blooming flowers. Above a fine mottled border is the wonderfully executed faux painted marble top which can be seen through the scalloped shaped glass top. All original gilt and patina throughout.
