A beautiful and unique Italian 19th century Bassano porcelain, patinated metal, tole, and ormolu chandelier. The twelve arm chandelier from Turino is centered by a beautiful patinated metal branch amidst lovely extremely decorative scrolled interlocking branches leading upwards adorned with exceptional Bassano porcelain blooming flowers. The branches lead out to striking richly chased floral ormolu candle cups in a superb satin and burnished finish. The branches continue seemingly growing upwards in a beautiful vine like manner to a tier of additional wonderfully executed colorful Bassano porcelain flowers. All original gilt and patina throughout.
