A charming and extremely high quality Italian 19th century Florentine st. Pietra Dura and ormolu box. The small scale box is raised by elegant foliate supports with a lovely scrolled scalloped fillet leading to finely detailed seashell reserves. At each side are stunning wonderfully executed Pietra Dura plaques with intricately inlaid and finely detailed precious stones with colorful floral designs framed within a mottled ormolu border and beaded wrap around band. At the top is an additional plaque also framed in the same manner. Also finished on the inside in a rich crimson velvet.
