A very decorative Italian 19th century Florentine st. Wrought Iron, brass and marble side table. The table is raised on a scrolled Wrought Iron base joined in the center by a handsome Wrought Iron stretched adorned with a top and bottom brass ball finials. The apron supports the stunning and intricately inlaid Florentine top with marbles and semi-precious stones. The center of the top has a wonderfully detailed bouquet of flowers in various stones and all tied by a lapis lazuli bow. The central bouquet is surrounded by three inlaid flying birds and three seashells, all surrounded by a red outer band.
