A stunning Italian 19th century Louis XV st. giltwood and Jaune de Valence marble console. The wall mounted console is raised by outstanding scrolled tapered legs with charming feet adorned with large acanthus leaves, gadroon movements, and charming finely carved flowers. Each leg is connected by a stunning stretcher centered by a most impressive pierced foliate reserve.

Above each leg are outstanding carved cabochon reserves flanking the elegantly pierced frieze displaying additional richly carved foliate movements centered by a unique and most decorative 'C' shaped scrolled reserve amidst flowers. Above is the original Jaune de Valence marble top with a fine double mottled border.
